GUM HEALTH PHYSICAL

To help patients remember all of your gum health recommendations

**Introducing**

# The Gum Health Physical

With this new interactive digital tool, you can give patients a gum health evaluation and provide a report they can use at home to put your recommendations into daily practice.

The Gum Health Physical tool was designed to help you improve patient

- Understanding
- Compliance
- Overall gum health

**See how it works!**

**Colgate®**  

# Using the Gum Health Physical is as quick and easy as 1, 2, 3

## 1 Patient chart

Activate areas of the patient chart you want the patient to focus on at home.

## 2 Patient report

Create a custom report for your patients to use at home (print or email).

## 3 Patient education

Click the "Patient Education" tab for shareable oral hygiene videos.

Visit [GumHealthPhysical.ca](http://GumHealthPhysical.ca) to get started.
